

# ORGANIZE, ACCESS, MANAGE, AND TRACK YOUR VALUABLE RESOURCES

**With Atlas,  
it's as easy as  
one, two, three.**

**STEP 01** Identify where you are now

**STEP 02** Target where you want to go

**STEP 03** Work with Atlas toward your goals

The journey to organizing and increasing the visibility of your special collections and archives isn't a straight line. That's why public libraries are discovering Aeon and ArchivesSpace services from Atlas Systems. The company you might know for ILLiad Resource Sharing has helped hundreds of special collections libraries and archives of all types and sizes manage access to their valuable resources. Wherever you are in the process, Atlas Systems can help move you forward.

With ArchivesSpace and Aeon, we can help you create your own continuum to reach your special collections and archives management goals.
